

MEMORANDUM FOR: Director of Central Intelligence  
SUBJECT: Meeting with Staff Members of the  
Joint Committee on Atomic Energy

1. This memorandum contains a recommendation for approval of the Director of Central Intelligence. Such recommendation is contained in paragraph 3.

2. In recent contacts with them, Messrs. John Conway and George Murphy, of the Joint Committee on Atomic Energy staff, have indicated an interest in visiting the Headquarters building. In view of Mr. Conway's recent elevation to the position of Staff Director, I think it might be desirable to have him and Mr. Murphy visit us. The Easter recess might be a good time to suggest such a visit.

3. If you agree, I will make arrangements for Messrs. Conway and Murphy to visit the Headquarters building, for luncheon with you if possible or at a time when you might meet with them briefly. Also, I will arrange an appropriate tour of the building.

JOHN S. WARNER  
Legislative Counsel

The recommendation in paragraph 3 is approved.
